THIS TANGY TWOSOME IS TURNING UP THE HEAT ON HILTON HEAD ISLAND.

With spicy Caribbean vibes and smooth Southern accents, no one can resist the heat they're packin'. They're not afraid to kick things up a little ... or a lot. And word on the bike path is that things are pretty hot and heavy between them. So whether you're surfin' or turfin' when this dynamic duo shows up, don't be a chicken.

Bottoms up!
